

# CAIRNS CATHOLIC EDUCATION AND GROWTH COACHING INTERNATIONAL COACHING ARRANGEMENT 2024

Cairns Catholic Education is delighted to announce our 'preferred partner' agreement with Growth Coaching International (GCI) for the provision of individualised coaching for our employees.

GCI is a leading organisation in the field of coaching in education and has been providing coaching and coaching training to the education sector since 2002; with thousands of educators, including school and system leaders participating in GCI coaching and courses.

GCI coaches and facilitators abide by the European Mentoring and Coaching Council (EMCC) Code of Ethics and pursue EMCC Coaching Accreditation.

## A GCI COACH CAN OFFER:

- Commitment to the discipline of coaching.
- An understanding of the practices, skills and 'way of being' required to be a highly effective coach.
- Coaching expertise recognised through individual coaching credentials and maintained through advanced training and coaching supervision sessions.
- Experience in educational leadership and the skills to provide the support and empathic perspective essential in building a positive and valuable coaching relationship.

## WHO WILL COACH ME?

Individual coaching provides 'on demand' access to an expert coach for anyone working in an educational context. It is personalised, confidential, flexibly scheduled and time efficient. It is a safe space to think and reach greater clarity around your next steps.

A coach deemed best suited to your needs will be matched with you from the [team of experienced GCI coaches](#).

Further information on individual coaching with GCI, including benefits and how coaching can be used, can be accessed [here](#).
