

Catholic Social Teaching

Formation Programs

Catholic Mission's Formation Services facilitate opportunities for staff across the Catholic Education Sector to encounter God in the world through an immersive, interactive pedagogy of dialogue, encounter and experience which engages the whole person. Through our formation and educational programs, participants are invited to reflect upon their own organisational systems and structures and how they embody the 'Joy of the Gospel'.

Catholic Social Teachings in the Everyday

Catholic Social Teaching offers us a framework for living God's Mission in this world. Staff would be invited to reflect, dialogue and participate in immersive activities which allow for making the connections between the CSTs and my role in the Cairns Catholic Education Community. All our formation days are grounded in Scripture and allow staff opportunities for the integration of Scripture into their application of CSTs in their school curriculums. Our work with staff in schools and systems across the country has resonated as it is founded in a contemporary understanding of mission. That is - that we are all contributing to God's mission in this world and have the wonderful model of Jesus to know how to reveal Christ to each other in the everyday.

Registration: iLearn [CNS04540:001] by 28 May 2024

Face to Face: Tuesday 4 June 9-3pm

Location: Botanic Gardens Visitors Centre

Accreditation: 5 hours TRCS

APST: 2, 6 & 7.

Costing: Free
